FROM YOUR HOA MANAGEMENT COMPANY

JOIN YOUR HOA BOARD

Have you thought about making a difference in your HOA community? One great way is to join the Board of Directors. Another could be to join a committee. How do you do that? Check communication from your current Board or send us an email at customerservice@aperionmgmt.com.

HOA LEARNING HUB

Did you know Aperion offers free blogs, lessons and videos for homeowners to learn all about HOAs? It's a great resource to become knowledgeable about what we do as a management company, what your Board of Directors is for, and your role as a homeowner in your neighborhood!

HOA BENEFITS

What are some of the benefits of living in an HOA neighborhood? [Find the answer by clicking here and reading our latest blog!](#)

HOME IMPROVEMENT PROJECTS

With the warmer weather, many folks are looking to clean up around the house and/or fix up their homes. Our sister company, AMG Fix It, offers discounts to all homeowners in Aperion managed communities. We encourage you to give them a call for the best priced handyman services! Visit their website at www.amgfixit.com or give them a call at 541-668-4267 to see how they can help you today!

ARC REMINDER

Many HOAs have an Architectural Review Committee (ARC) who will oversee all incoming requests for applicable home improvements and new builds for your community. Please remember to check your community's guidelines for what needs to be submitted, how, and when before undertaking projects. [You can check for that process in your homeowner portal by clicking here.](#)
